Forecast for Monday 29 Aug 2022

Weather: Cloudy overnight and early on Monday morning, with outbreaks of mostly light rain. Becoming dry in the morning with cloud lifting, and a few sunny intervals will develop. Cloud clearing more widely in the evening with some late sunshine then clear spells after dark.

Chance of cloud-free hill tops above 800m: 60% at first rising to 90% through the morning.

Low cloud and visibility: Occasional cloud at 700m or above at first then lifting above tops. Visibility beneath cloud perhaps locally poor in the early hours in drizzly rain but then becoming good.
